

THE ELECTRIC

WELCOME TO THE ELECTRIC

Built on the former site of the Electricity works in Lincoln, the vision for The Electric Bar was to create the city's first sky bar on the rooftop of the DoubleTree by Hilton Lincoln.

This stylish cocktail bar boasts unsurpassed views of the city skyline with two large balconies, there's no better place to enjoy a drink whilst watching the evening sunset.

Choose from an extensive drinks menu that includes expertly mixed cocktails, premium spirits, a curated selection of wines, exquisite champagnes, and a variety of beers.

In the daytime, indulge in our traditional and cocktail afternoon teas or go all out with our bottomless brunch at the weekend. By night we become the city's premier sky bar, with an impressive range of cocktails from classic favourites to our own signature drinks, served up by our extensively trained mixologists.
